
Gentleman Capitalists British Imperialism In Southeast Asia 1770 1890 International Library Of Historical Studies

'gentlemanly capitalism' and empire: the british ... - income and social scales in british society . . . britain's "gentlemanly capitalists".22 misdirected investment, institutional failure to adapt, the grossly unprofitable waste of national resources, ultimately even britain's long-term economic and industrial decline, are thus attributed to britain's **gentlemen, capitalists and settlers: a brief response** - 'gentleman'.8 hopkins also points out that the desire to accumulate a family fortune was not confined to the british middle classes. perhaps i should have made this point clearer: it was the way in which the colonial upper class accumulated family fortunes, and particularly the way in which they disposed of them, that were typical
